Muscat University

SUBJECT: Formal Invitation: Participation as Featured Speaker – World Engineering Day 2026

Dear Dr. HONNURVALI,

Greetings from the WED2026-Oman Organizing Committee!

It is a profound honor to invite you to serve as a featured speaker for World Engineering Day 2026, held at the Wyndham Garden Hotel Al Khuwair, Muscat. Your presence would greatly enrich our discussions and inspire the engineering community gathered both in-person and via our virtual platform.

Please find the finalized details for your participation below:

- **Date:** March 20, 2026
- **Segment in Programme:** Featured Speaker 3
- **Time Slot:** 2:30 pm to 3:20 pm
- **Total Coverage Time:** 50 mins

To ensure that we maintain the integrity of the program for our delegates in Muscat and those joining globally, we respectfully request that your presentation be tailored to fit within the allotted time frame.

We believe your presence and insights would greatly enrich our event.

Thank you for your time, your consideration, and your invaluable contribution to the advancement of the engineering profession. We look forward to welcoming you to this landmark event.

With highest esteem,

Engr. Gerry A. Manglicmot, RCE, ASEAN ENG., ACI, COSH, TPICQS, PMCE

Conference Chair / PTC MENA Deputy Presidential Adviser and Regional Coordinator

GUIDELINES TO ALL SPEAKERS

Onsite Speaker Guidelines (Wyndham Garden Hotel)

- **Arrival and Check-in:** Speakers should report to the registration desk headed by Engr. Aldieh F. Guinchoma at the Wyndham Garden Hotel, Al Khuwair.
- **Technical Preparation:** All technical sessions and video presentations are managed by the Technical Director, Engr. John Christan Hendrix G. Perez. It is recommended to coordinate with the technical team 15 minutes before your timeslot.
- **Time Management:** Speakers must strictly adhere to their allotted duration, ranging from short **9-minute** messages to **23-minute** technical sessions, to ensure the program remains on schedule.
- **Engagement:** Onsite speakers may be involved in the **Panel Discussion** facilitated by Dr. Annie B. Bangtegan and Engr. Joel C. Arjona.
- **Recognition:** Presentation of tokens and certificates occurs at designated times following your respective session, often presided over by **HE Noralyn Jubaira Baja** and the event chairs.

Online Speaker Guidelines (Zoom & Webex)

- **Platform Access:** Online sessions are conducted via **Zoom and Webex** for both Day 1 and Day 2.
- **Technical Support:** The **WED 2026 Oman Online Technical Committee**—consisting of Engr. John Christan Hendrix G. Perez, Engr. Leopoldo M. Maglalang, Jr., and Engr. Liwayway Castro—will manage the virtual environment. It is recommended to coordinate with the technical team 15 minutes before your timeslot.
- **Connectivity Check:** Online attendees and speakers should ensure their connection is stable and compatible with the specified platforms. Ensure your camera and microphone are open during your respective session.
- **Interactive Participation:** Virtual speakers are integrated into the program flow, including participation in the **Q&A Forums** and interactive panel discussions.
- **Virtual Background and Account Naming:** Kindly use the Virtual Background and to easily identify you from other online participants, kindly rename your account in the following format: **SPEAKER+[Full Name]**.
- **Time Management:** Speakers must strictly adhere to their allotted duration, ranging from short **9-minute** messages to **23-minute** technical sessions, to ensure the program remains on schedule.
- **Recognition:** Presentation of tokens and certificates occurs at designated times following your respective session.
